Description

Équipements/Services

This topographic map shows the Nid de Mas area in France. The Semois river flows through the center, with a yellow dot marking the 'Table des Fées' (Fairy Table) on its bank. The map includes contour lines indicating elevation, with labels for 200 and 240 meters. Several locations are labeled, including Quelhan, Lamberfond, Tèran Bois Fadret, and Membroise. The 'Rés. nat. de Bohan-Membre' (Natural Reserve of Bohan-Membre) is also indicated. A scale bar at the bottom left shows 100 meters, and a compass rose is in the top left corner. The map is sourced from Leaflet and IGN.
