Classement : Échue

Description

Équipements/Services

This topographic map shows the Alle area in France. The Semois river flows through the region, with several tributaries like the Cornifontaine and Lavirot. The map features contour lines indicating elevation, with peaks marked at 258, 265, and 259 meters. A network of roads is shown, including the N945 and various local roads like Rte d'Alle, R. Leon Henrard, and R. du Docteur Henseine. A yellow circle highlights a specific location near the center of the map, close to the intersection of R. de la Forge and R. de Jolemont. The map also shows a football field and a small lake. A scale bar at the bottom left indicates 100 meters, and a compass rose is in the top left corner. The map is sourced from Leaflet and IGN.
