Équipements/Services

The map is a detailed topographic representation of a rural area in France. It features contour lines indicating elevation, with labels such as 270, 320, 400, and 416. A network of roads is shown, including the main road N884 and several smaller roads like R. de la Garenne, R. de la Plite, and R. des Fourches. A yellow circle is placed on a road, likely indicating the location of the 'Garenne' mentioned in the text. Other geographical features include the 'Rau des Burzats' (a stream or ditch), the 'Moulin des Nawés' (a mill), and the 'Camp' (a field or clearing). The map also shows various buildings and structures, including a 'Camp' and a 'Moulin'. The overall terrain is hilly, with contour lines showing a general upward slope towards the right side of the map.
