This is a detailed topographic map of the Herbaut area in Belgium. The map features the Semois river flowing through the center. Key locations include la Garenne, la Plite, and la Hulette. A yellow circle is placed near the Semois river, close to the intersection of R. de la Garenne and R. de la Plite. The map also shows various roads, including N84, and contour lines indicating elevation. A scale bar at the bottom left shows 100 meters. The map is credited to Leaflet and IGN.
