Description

Équipements/Services

This is a detailed topographic map of the Membre area in France. The map features the Semois river flowing through the landscape, with several tributaries labeled such as 'R. de Vresse', 'R. d'en Bas', and 'R. de Membre'. Major roads are shown in orange, including N914 and N935. The map also depicts various settlements and landmarks, such as 'Foingnil', 'Roche aux Chevesnes', and 'Membrette'. A yellow circle is placed on the map, indicating a specific location. The map includes a scale bar (100 m) and a compass rose in the top left corner. The terrain is represented by brown contour lines and green hatched areas indicating vegetation.
