Description

At the oven, Emmanuel Culot lovingly prepares a variety of dishes sometimes including game and seasonal products, sometimes river fish or fresh local produce. Find them a la carte or in menus, in the restaurant or on the terrace bordering the Semois river. The Hostellerie « Au Comtes de Chiny » benefits from a unique setting, in its shrine of preserved nature and alive with wild life.

In all seasons, the charms of this paradise located on the borders of the Ardennes and the Gaume, will enchant the lovers of open space and landscapes of rare beauty. Rooted in a land with a rich past and traditions of welcome still very alive. The Hostellerie des Comtes de Chiny mixes a friendly ambiance and the quality of its table in a young and family spirit.
