Description

Since some forty years, a quality accommodation and a cuisine that has known how to adapt to the evolution of different periods. The beneficial gentleness of a relaxing setting. The pleasure of sharing a table garnished with original and delicious preparations. Pretty restaurant in the very pleasant village of Rochehaut. Don't hesitate to order the « terroir » menu, you'll get the good Ardennes' products delicately prepared. Find the art of living in the discreet charm of an ancient 17th century house. This beautiful and vast house of over 400 years has kept its woodwork throughout the place that gives it a warmth and muffled intimacy.
