Description

"À l'Ange Gardien" is a surprising place which contributes to the fame of the fabulous site of Orval and to the tourist boom of an entire region. Recently renovated, the establishment is adapted to the needs of our times (parking nearby, accessible to people with reduced mobility, wi-fi, etc.).

You will appreciate all the presentations of Trappist "Orval" products, beer or cheese, as well as its essential and exclusive "Orval vert" served on draft.
