

Mill of Cugnon

Attribution : (FTLB - P.Willems)

Useful information

Category : Discovery and recreation

Rating : No rating

Description

It is a private building. It is watered and it is said to be the nicest building in Cugnon. The mill is more ancient, a typical building from the 17th century and it has its wheel again. It had the privilege of making a eel fishery working; given by Marie-Thérèse
