Description

This ancient mill of the 17th century hosts the first Relais et Châteaux since 1947 that is not in France and also known with the name "Moulin Hideux" (hideous mill). At the origin, there were two mills, at 150 meters from each other that had given the place the name of "Lis deux Molins." Despite the river downstream mill is no more there, the place name stayed and got changed as Hideux Moulin, then Moulin Hideux
