# Description

In 1960, this wonderful 17-century mill that is located in the heart of the Semois river became the first Relais et Châteaux outside France. The family spirit is essential; chief Julien Lahire is the fourth generation who holds this establishment and he greets you with a gourmet cuisine. Long walks in the forest, a few strokes in the warmed swimming pool, the aperitive by the fireplace or in the shadowed garden... Come and take the time to listen to the silence...
