This topographic map of Chanteraine, France, features the Semois river flowing through the center. The town is situated on a peninsula-like area. Key roads include the N810 running horizontally across the middle, the N828 running vertically on the right, and the N89 running diagonally at the bottom right. A yellow circle is placed on the road between the river and the town center. The map shows various buildings, some with red roofs, and a purple-shaded area on the left. Contour lines indicate elevations of 240, 251, 280, and 327 meters. A compass rose is in the top left, and a 100m scale bar is at the bottom left. The map is credited to Leaflet and IGN.
