Description

Come and enjoy our holiday home "Charme à Bouillon"

and also fall in love with this beautiful piece of nature!

This charming holiday home is the ideal place to enjoy the moment. Recharge your batteries in the sauna and hottub after a long walk or bike ride. The house is located in a very calm street on the edge of a forest and 100 meters from the river (Semois). It is the ideal base for hiking, mountain bikers, fishermen and peace seekers.

The house is located in Poupehan, in the valley of the Semois, within walking distance of Frahan, Rochehaut, Alle-sur-Semois and Vresse sur Semois.

Numerous beautiful walking routes can be followed from here.

Rochehaut is located at the top of the mountain (less than 4 km).

Rochehaut is known for the legendary viewpoint to the village of Frahan (classified village), located in a meander of the Semois. There are restaurants, shops, museums and a tourist train.

Bouillon with its Chateau Fort, 12 kilometers from the cottage, is certainly worth a visit.

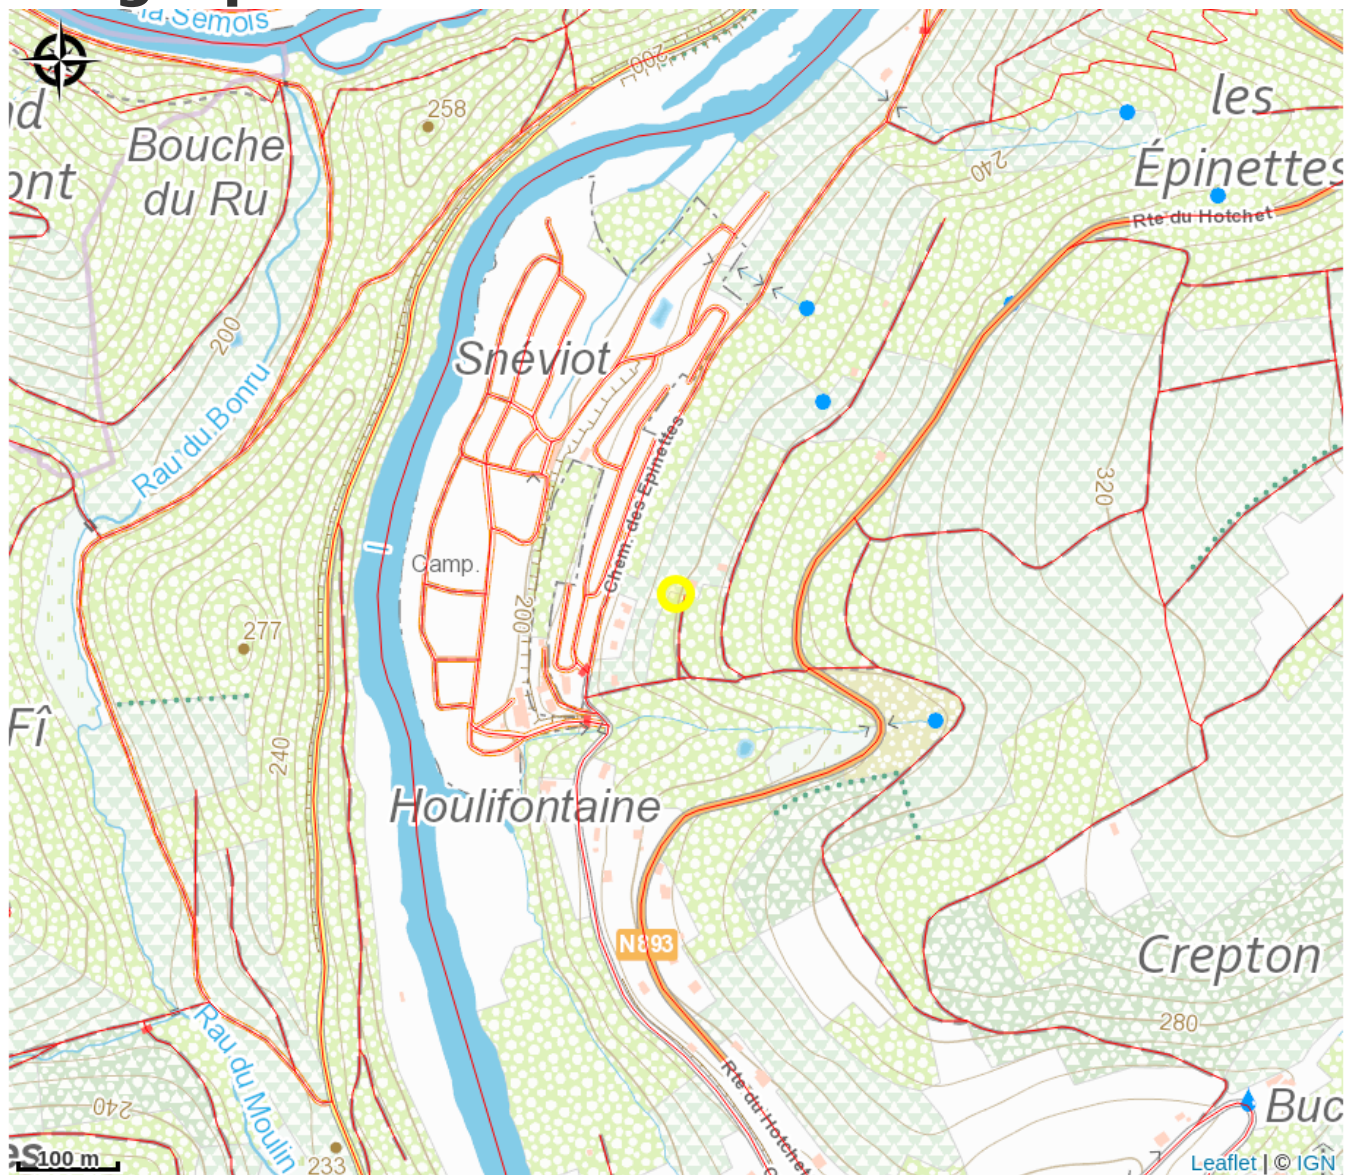

The French border is only six kilometers away from the cottage. The cities of Sedan (Chateau Fort) and Charleville Mézières (Place Ducale, Museum Rimbaud) are nice to visit. The French champagne town of Reims is a 1.5-hour drive away.

You can take beautiful walks in the area, such as the ruins of Montragut and the remains of the castle of Lyresse. To fully enjoy the hidden spots of the Semois Valley and admire the nature, sail down the charming Semois River with a kayak or canoe (kayak facilities barely 1 km from the house). These take you to the most picturesque places in the Ardennes, where the car can't take you.
