Description

La Bonne Heure is situated in the beautiful valley of the Semois. It is situated on the edge of the authentic village of Membre, between the leafy trees and the river. You can relax completely on a medium-sized campsite in the middle of nature.

On our campsite you should enjoy nature above all; the water, the trees, the birds and the fish (and if you are lucky, a deer or a raccoon, but that happens outside the summer season).

) You can go for short or long walks, cycling or kayaking. Visit a museum, an herbalist or a saffron plantation. There are many restaurants and terraces in the area... Or you can simply stroll along our beach, have an aperitif on our beautiful terrace, enjoy a BB in the tent and end the evening with a campfire under the endless stars.

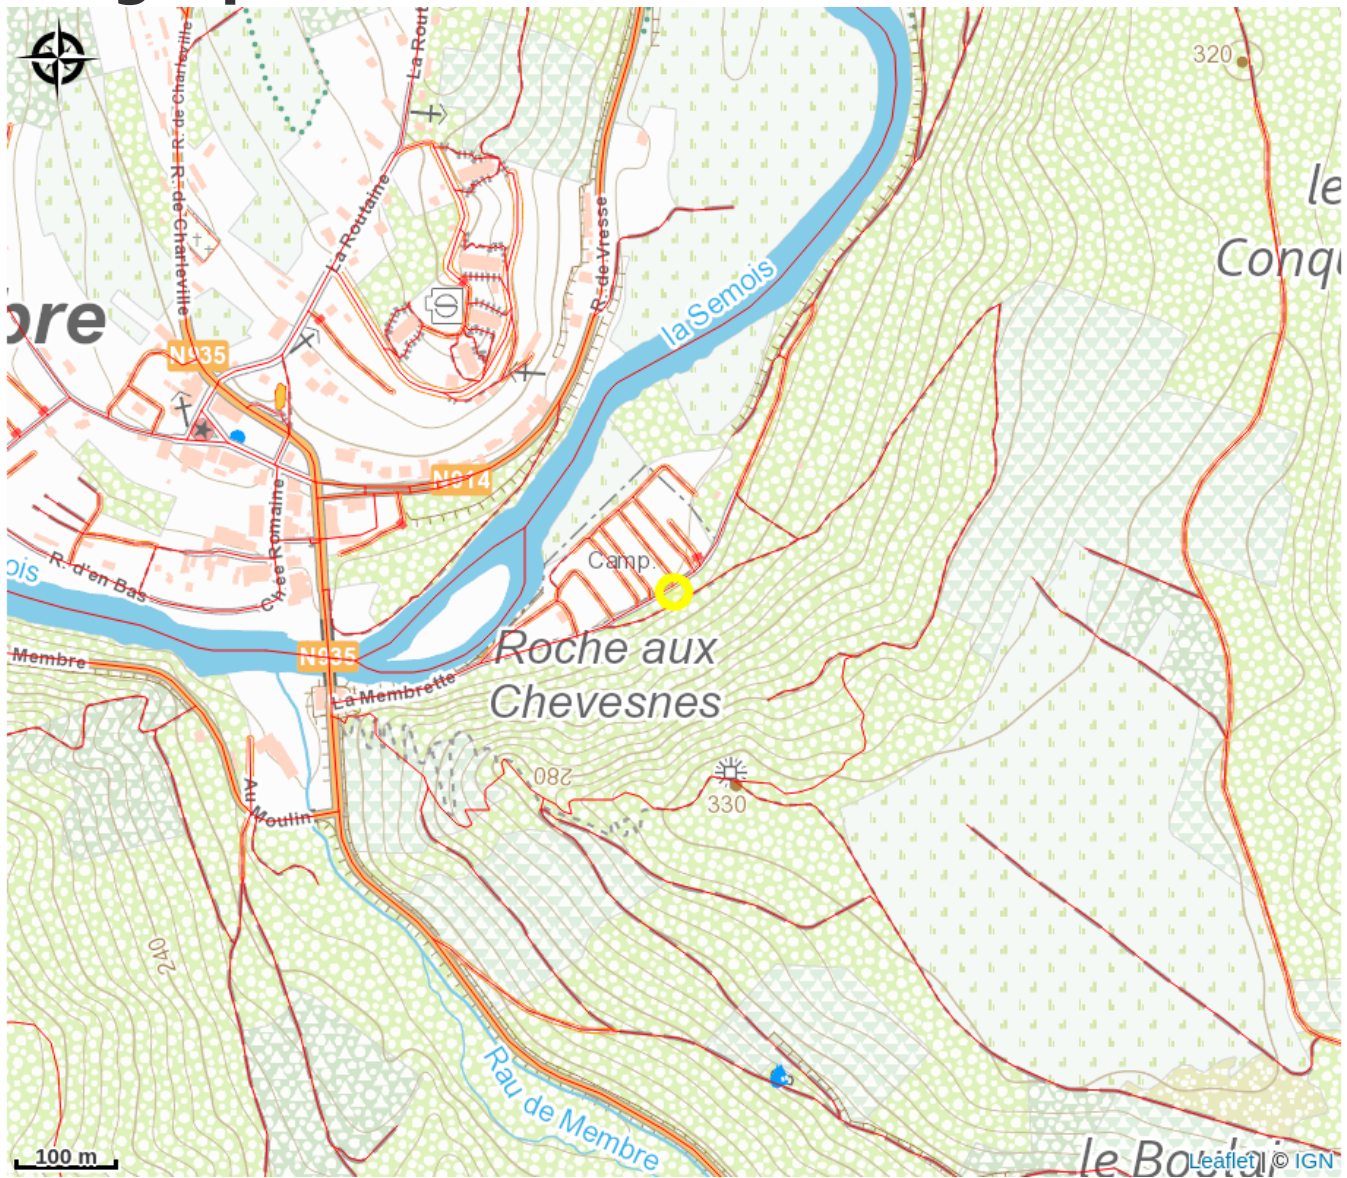

In short... It's always the right time for happiness!
