Description

Come on a journey to the land of tobacco at the Tobacco Museum & Workshop at Corbion. The visit begins with a 15-minute introductory film, followed by a group tour of the museum and workshop, where explanatory panels, display cases and an exhibition of traditional furniture will show you the origins of tobacco-planting, its history and the processes used to prepare it for consumption.

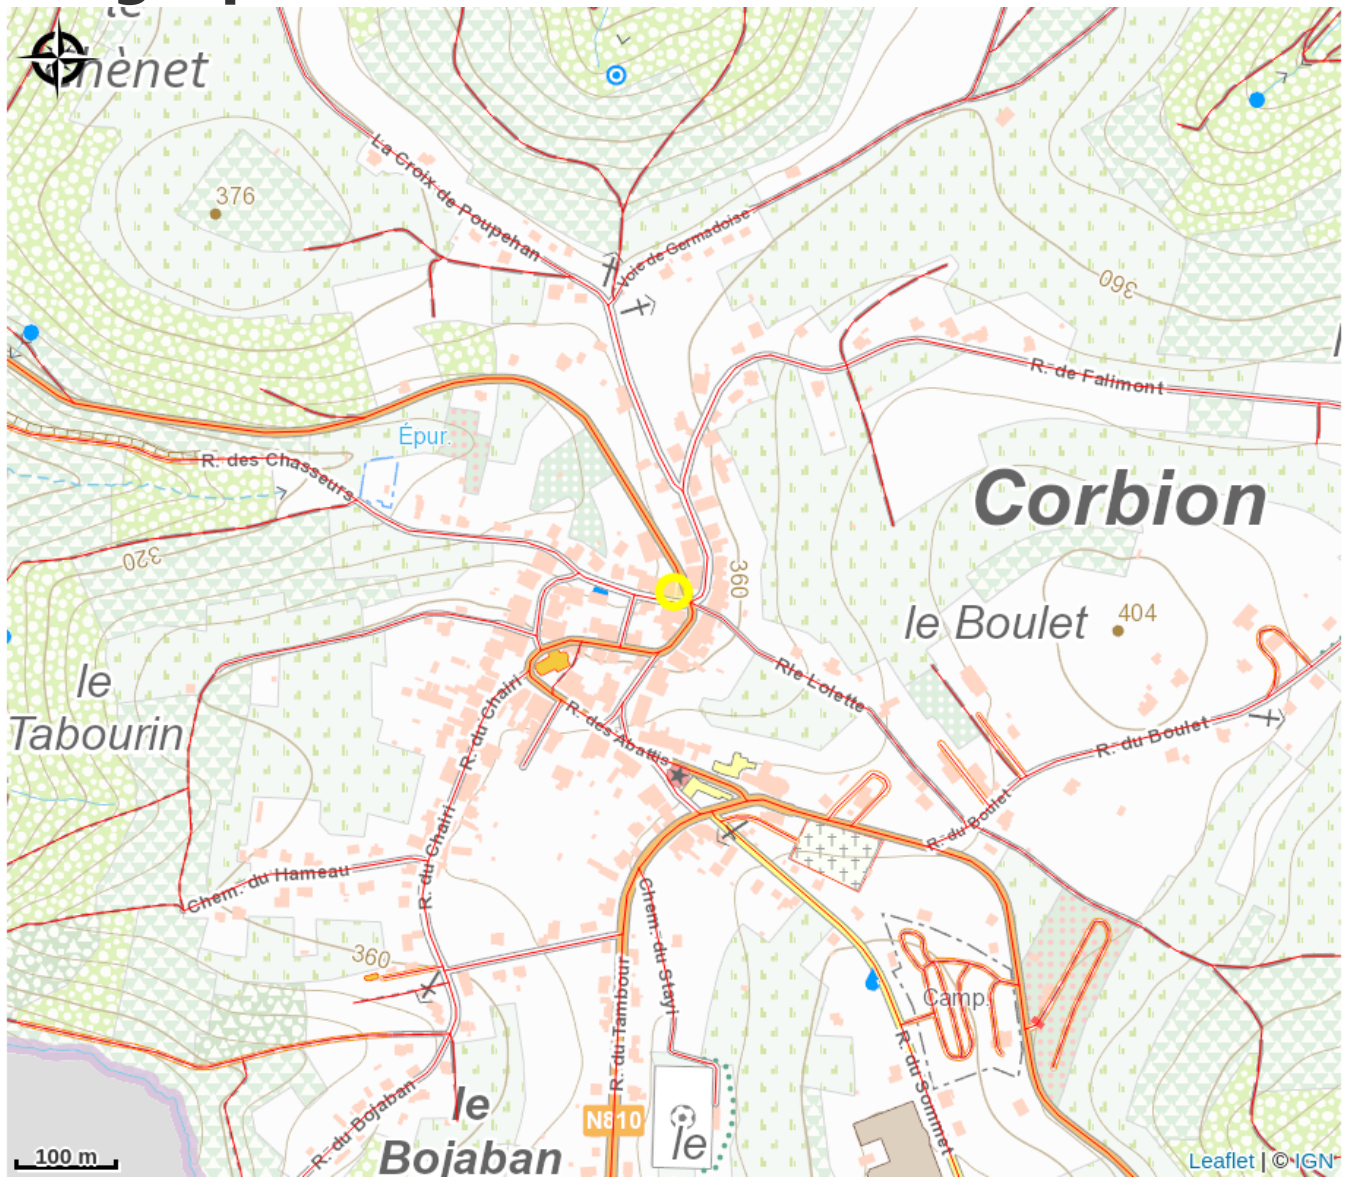

An apéritif (€1 per person) can be added to the tour by prior reservation.
