Useful information

Category : Discovery and recreation

Rating : No rating

Description

Between heritage, history and chocolate, the village of Jamoigne has a lot to offer! In Jamoigne, you will be seduced by the beautiful Faing Castle. Visits are organised to let you discover this freshly renovated building's past and present. For the foodies, a chocolate factory has recently been created by the chocolate maker Deremiens, who deeply wanted to create his own chocolate. From cocoa bean to praline, to macaroons ... You will be delighted!
