Description

Overlooking the Semois, Chiny offers more than 200km of marked paths into the woods or in the countryside: there is something for everyone! By kayak or by foot, marvel before the surprising panoramas of this fascinating valley of the Semois! Along the narrow streets in the Fort's neighbourhood in Chiny, go exploring the last vestiges of the old castle and the traces of a closed overhang, that recall the prosperous time of this county capital during the Middle Ages. The small town of Chiny, City of the Tales, has much to offer.
