

The Saint-Remacle cave

Attribution : (FTLB-P.Willems)

Useful information

Category : Discovery and recreation

Rating : No rating

Description

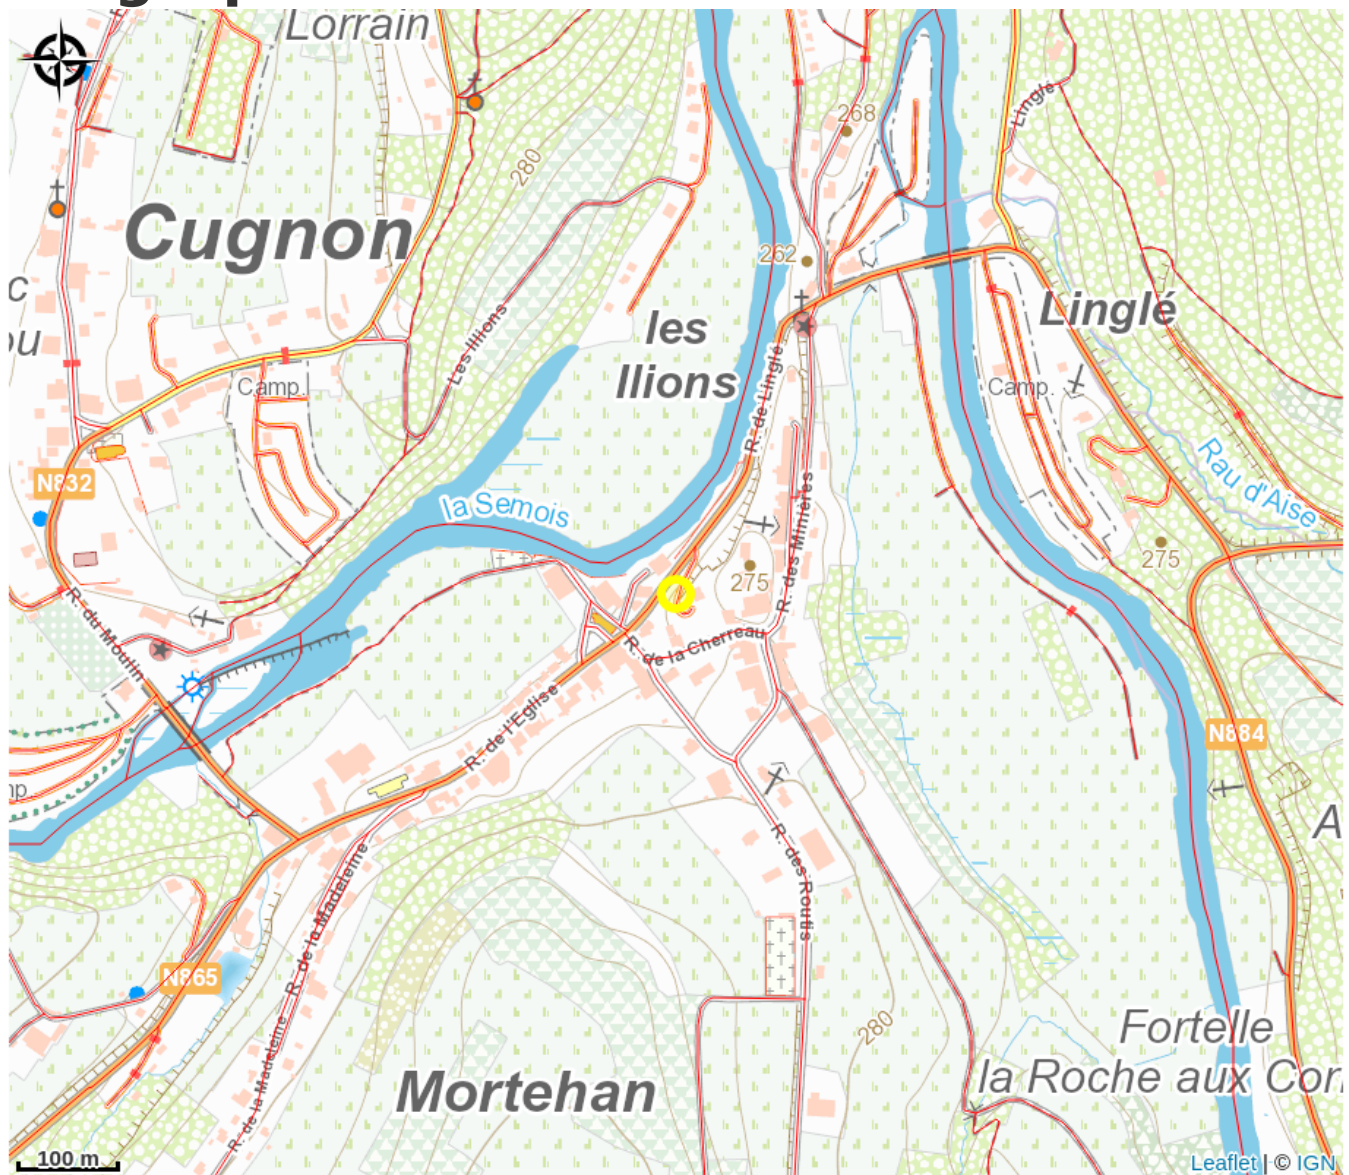

The caves of Saint Remacle, the apostle of the Ardennes par excellence, are located in a rock face. There are 3 caves dug in a rock face and that naturally dominates the Semois, dug in the shale. The "Saint Remacle" cave would be a witness of evangelization of our Country from the 7th century on.
