## Altimetric profile

Min elevation 201 m Max elevation 380 m

This walk is only 6 km long, but it is still a sporty walk. Due to its ladders fixed to the rock and its steep paths, this walk is for the bravest of you! You will undertake numerous ascents and descents along small, steep paths and follow the Semois and its many meanders for a while. This walk will offer you breathtaking views of the valley.
