Min elevation 205 m Max elevation 231 m

Do you like nature, walks on flat terrain, bats and/or Orval Abbey? This nice and easy walk is for you!

This signposted 5.5km route, in a loop starting from the crossroads near Orval Abbey, takes you to see how the bats live, meet a herd of Highland cows and explore the roots of a Cistercian valley.

On your path...

All useful information

Environmental sensitive areas

Along your trek, you will go through sensitive areas related to the presence of a specific species or environment. In these areas, an appropriate behaviour allows to contribute to their preservation. For detailed information, specific forms are accessible for each area.
