Downhill mountain bike trail accessible to an experienced public; requiring technique and specific riding equipment.

Difficulty: black, expert level.

The enduro MTB track named "DH" takes up a very difficult course.

900 m of downhill enduro mountain biking in the Côte d'Auclin forest in Bouillon. This forest is located on the right-hand side of the Semois, a stone's throw from the heart of Bouillon and the Cordemois bridge. It is made up of deciduous and coniferous stands.

With a difference in altitude of 150 m, this trail follows dirt tracks to the finish point, which is on the road to Cordemois (at the level of the Cordemois bridge).
