This didactic and poetic 1km walk takes you in the footsteps of the birds of our region! Stroll along this small winding path and take advantage of the calm of this place to awaken the bird that sleeps in you... Observe the surroundings from a giant birdhouse, rest in a wicker nest, compose your own melody from the xyloplume... Located in the small park of the castle of Rossignol (Le Parc Tiers-Lieu), this walk between poetry and chirping promises you a moment of reverie with your family.

Please note that this trail is not accessible to strollers.
