

L'Observatoire

(MTBA)

Useful information

Practice : On foot

Duration : 3 h 15

Length : 10.7 km

Trek ascent : 232 m

Difficulty : Medium

Type : Loop

Trek

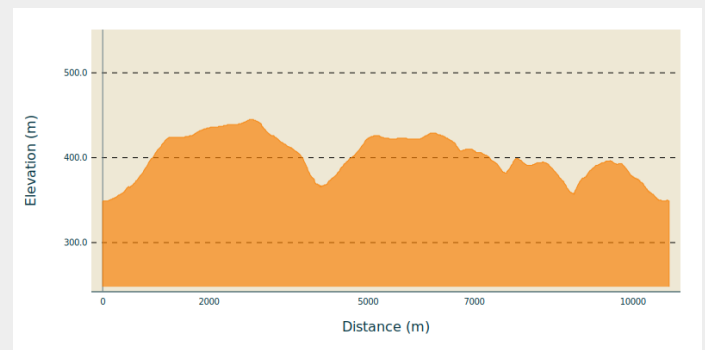

Departure : Rue Marie-Thérèse, 6887 - Straimont

Arrival : Rue Marie-Thérèse, 6887 - Straimont

Markings : ■ N1 - Yellow

Cities : 1. Herbeumont

Altimetric profile

Min elevation 348 m Max elevation 445 m

A bucolic walk along easy paths starting from the centre of Straimont, taking in the Straimont chapel, the Centre Ardenne astronomy observatory and typical villages.

You'll be treated to lovely views of the surrounding countryside.

You'll pass through the villages of Harfontaine and Menugoutte, where you'll come across old washhouses and the remains of mining operations in these villages. On the way back to Straimont, you can admire some magnificent rural scenery.

All useful information

Environmental sensitive areas

Along your trek, you will go through sensitive areas related to the presence of a specific species or environment. In these areas, an appropriate behaviour allows to contribute to their preservation. For detailed information, specific forms are accessible for each area.
