Altimetric profile

Min elevation 307 m Max elevation 413 m

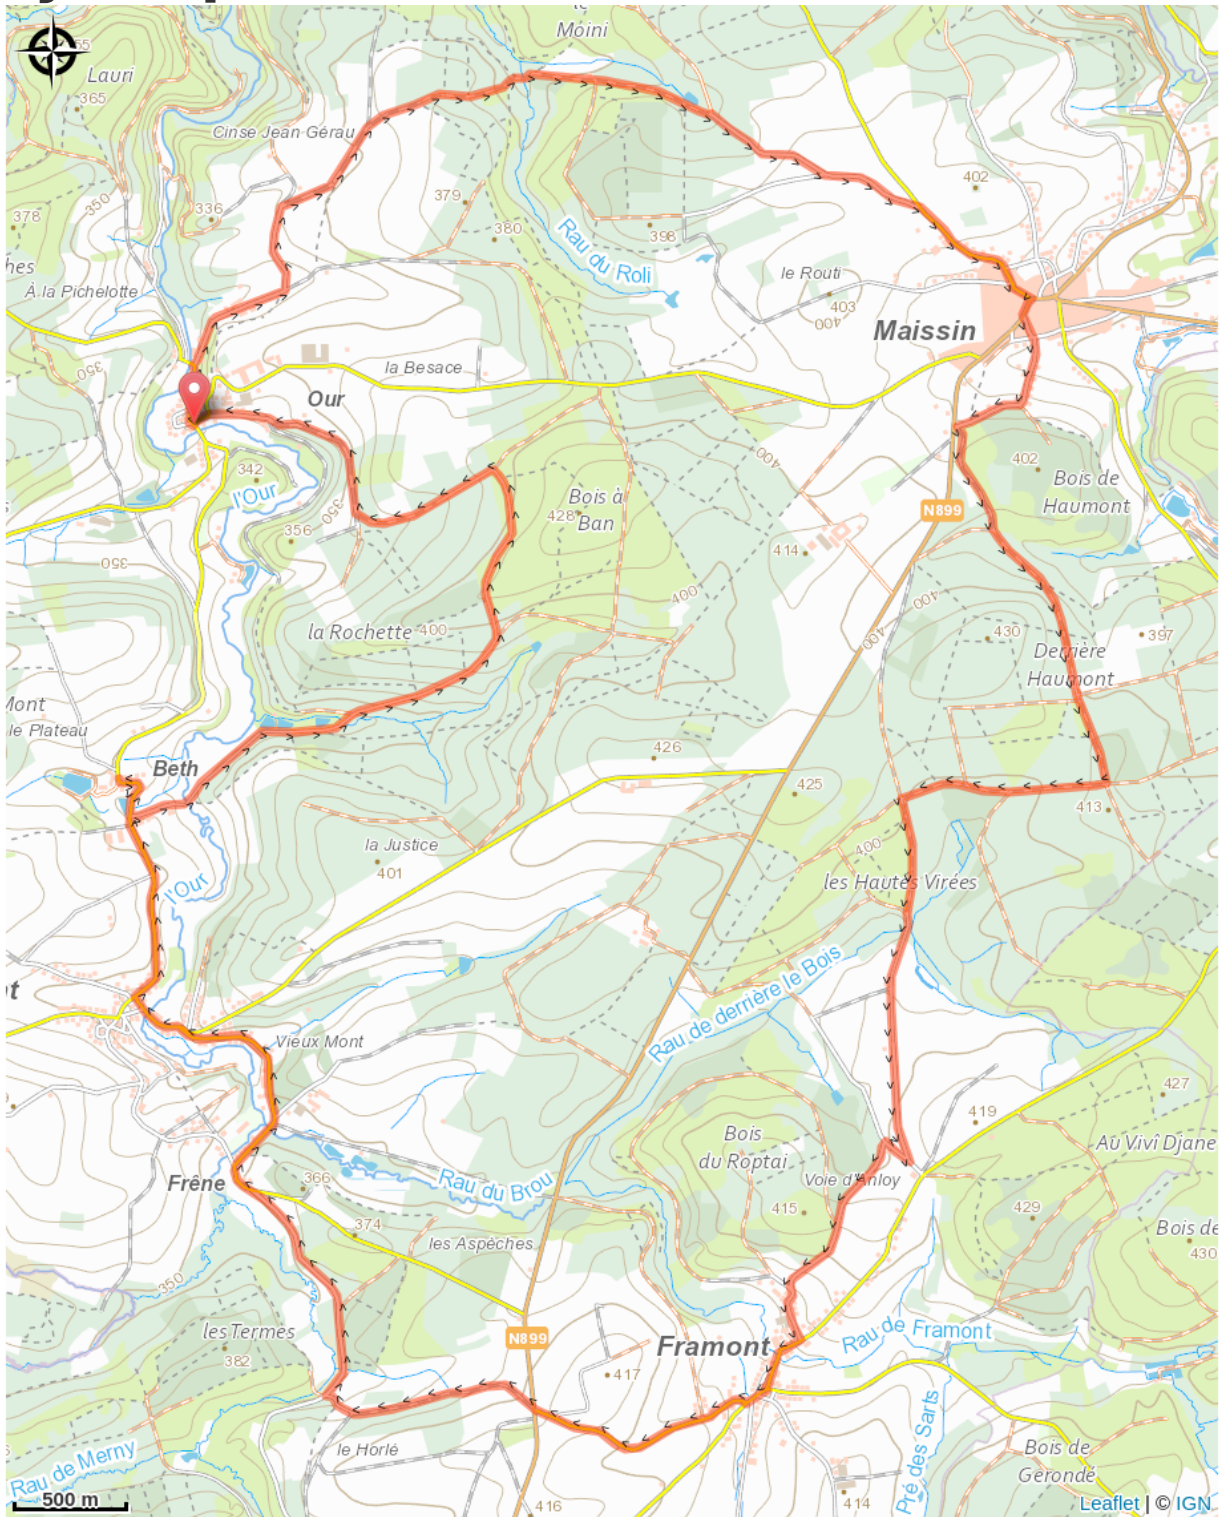

Points: 59-66-61-64-92-91-59

A succession of charming Ardennes villages and small hamlets set in a green backdrop of forests and fields. This route immerses you in the authentic character of the region. Along the way, discover typical Ardennes houses in Our – listed among the Most Beautiful Villages of Wallonia – and a unique cemetery in Beth.

Although this route is only 23 kilometres long, it offers a pleasant challenge. Unpaved sections alternate regularly with quiet country roads, making it perfect for cyclists who enjoy variety and nature.

In the centre of Opont, a well-equipped picnic area invites you to take a break. For those seeking more background information, a detailed free route leaflet is available from the local tourist offices.
