Altimetric profile

Min elevation 255 m Max elevation 438 m

42 km mountain bike trail passing through pretty, traditional villages such as Opont, Beth, Our, Lesse, Maissin and Framont.

There are places to stop for a drink or a bite to eat in Our and Paliseul.

The first part of the route to Our is fairly easy going, but the circuit then becomes a little more technical. There are some beautiful sections along the rivers and streams: the Lesse and the Our.

The total elevation gain for this mountain bike circuit is 782 metres.
